PRODUCT REVISION ANNOUNCEMENT

RELEASE DATE: 14/02/2012 - Document #66498SW

This announcement contains revised information about poster placement in Swinger articles produced under patent of EP0809227 and Des. Reg. No.2071096.

Dear M&T Displays Partners, Distributors and Other Interested Parties:

M&T Displays conducted a revision on panels of Swingers to increase the product efficiency. Provided that the poster panel will be opened and closed from the top of the pocket, poster will be more stable and better positioned in place. Revising this application from the bottom side of the pocket to the top, the end user will have better means of application and use of the pocket will be friendly. It will not only prevent in correct application but also make poster panel fitting quick and easy.

BOM view changes and final step of revision - It is only the revision of panel that requires to be noted. The other properties and usage of product are not effected.

Kindly find below the new system of placing poster in Swingers.
